Full Terms & Conditions

AWM Airport West - Our Big Move Giveaway

These terms are drafted for website publication. Complete all bracketed prize values, model details, address, draw times and redraw details before publishing.

1. Promotion

The promotion is the AWM Airport West Our Big Move Giveaway (Promotion).

The Promoter is Metal Manufactures Pty Limited trading as AWM Electrical and Data Suppliers, ABN 13 003 762 641, 19-21 Loyalty Road, North Rocks NSW 2151 (Promoter). The participating branch is AWM Airport West (Airport West).

Participation in the Promotion constitutes acceptance of these Terms and Conditions.

2. Promotional Period

The Promotion commences at 12:00am local Victorian time on Tuesday 1 September 2026 and closes at 11:59pm local Victorian time on Monday 30 November 2026 (Promotional Period). Purchases made outside the Promotional Period are not eligible.

3. Eligibility

- The Promotion is available only to trade account customers who hold an active AWM/MMEM trade account;
- have that account domiciled to AWM Airport West;
- make Eligible Purchases invoiced through AWM Airport West; and
- remain an eligible Airport West account customer at the time the applicable prize is drawn.
- Cash customers, non-account customers and accounts domiciled to another MMEM/AWM branch are not eligible.
- Where an eligible account is held by a company, partnership, trust or other business entity, the prize will be awarded to the account holder. The account holder may nominate an authorised representative aged 18 years or older to accept the prize on its behalf where required.
- Employees of the Promoter directly involved in administering the Promotion, their immediate families, and any other persons directly involved in conducting the prize draws are not eligible to win.

4. Eligible Purchases

An Eligible Purchase is the purchase of products from one or more Participating Suppliers that is invoiced by AWM Airport West, recorded against an eligible Airport West trade account, occurs during the relevant Promotional or Weekly Prize Period, and has not subsequently been cancelled, credited or returned.

Eligible Spend is calculated using the net invoiced product value excluding GST, after deducting returns, credits or cancelled sales. Purchases from suppliers that are not listed as Participating Suppliers do not count towards Eligible Spend.

5. Participating Suppliers

The Participating Suppliers are: SAL Lighting; Clevertronics; Schneider; Matelec; Hager; Sharkrack; Australian Plastic Profiles; Cableflow; Martec; General Trade Supplies; Matchmaster; NHP; Mitsubishi Heavy Industries; Majortech; Fantech; MB Lights; Repelec; Trader; Legrand; Evolt; and Havit Lighting.

Only eligible product sales invoiced by AWM Airport West will be counted. The Promoter may correct an obvious supplier naming or branding error without materially changing the Promotion.

6. Entry Calculation

For the Major Prize Draw, entries are calculated based on the customer's total cumulative Eligible Spend across the entire Promotional Period, rather than on individual orders or invoices.

At the end of the Promotional Period, all Eligible Spend made by the customer between 1 September 2026 and 30 November 2026 will be added together. The customer's total Eligible Spend will then be divided into complete \$1,000 excluding GST increments, with one entry awarded for each complete \$1,000 of Eligible Spend.

Individual purchases do not need to be \$1,000 or more. Multiple smaller purchases made throughout the Promotional Period will be accumulated towards the customer's total Eligible Spend.

Examples: \$950 total Eligible Spend = 0 entries; \$1,000 = 1 entry; \$2,750 = 2 entries; \$5,450 = 5 entries; \$10,800 = 10 entries.

Any remaining Eligible Spend below the next complete \$1,000 threshold will not generate an additional entry. Entries will be calculated automatically using the Promoter's sales records. No separate entry form is required.

7. Weekly Prize Entries

For each Weekly Prize Draw, entries are calculated from the customer's Eligible Spend during the applicable Weekly Prize Period. Multiple eligible purchases made during that Weekly Prize Period will be added together, and the customer's total Eligible Spend for

that period will be divided into complete \$1,000 excluding GST increments, with one entry awarded for each complete \$1,000 of Eligible Spend.

Individual purchases do not need to be \$1,000 or more.

Each eligible customer may win a maximum of one Weekly Prize during the entire Promotional Period. Once a customer has won a Weekly Prize, that customer will no longer be eligible to win any subsequent Weekly Prize Draws during the Promotion. Any entries belonging to that customer will be excluded from later Weekly Prize Draws.

Winning a Weekly Prize does not affect the customer's eligibility for the Major Prize Draw, and all eligible cumulative spend during the Promotional Period will continue to count toward Major Prize entries.

8. Major Prize Entries

Major Prize entries are calculated using the customer's cumulative Eligible Spend across the entire Promotional Period in accordance with Section 6. Winning a Weekly Prize does not remove or reduce a customer's Major Prize entries.

9. Weekly Prizes

There are 13 Weekly Prizes available: 9 x 23ZERO Dual 900 Swags, each valued at approximately \$329.95 incl GST; and 4 x Onni Koda 2 Gas Powered Outdoor Pizza Ovens, each valued at approximately \$749.00 incl GST.

Where required by applicable law, the names of winners of prizes valued at more than \$1,000 will remain published online for at least 28 days.

16. Prize Collection and Transfer

The Promoter will contact each winner to arrange collection or transfer of the prize. A winner must cooperate with reasonable identification, registration and transfer requirements associated with accepting a prize.

The Promoter will not impose a material cost on a winner merely to accept or receive a prize. Following transfer of the Sea-Doo GTR 230 to the winner, ongoing costs associated with ownership - including insurance, fuel, servicing, storage and future registration costs - are the responsibility of the winner.

Unless otherwise agreed, Weekly Prizes and the television will be collected from AWM Airport West.

17. Prize Availability and Substitution

Prizes are not transferable for cash and no cash alternative will be offered.

If a particular advertised prize becomes unavailable for reasons outside the reasonable control of the Promoter, the Promoter may substitute a prize of the same or greater value where permitted by law and, where required, with the winner's agreement. Product colour, appearance or minor specifications may vary from promotional imagery.

18. Unclaimed or Ineligible Prizes

The Promoter will make reasonable attempts to contact each winner. If a winner cannot be identified or contacted, fails eligibility verification, or is otherwise unable to receive the prize, The Promoter may conduct a redraw in accordance with applicable law and these Terms and Conditions.

Any redraw will be conducted using the same random and equal-chance method as the original draw. Redraw date/time/location if required.

19. Returns and Credits

If a purchase used to generate an entry is subsequently cancelled, returned or credited before the applicable prize draw, the corresponding Eligible Spend and entries may be removed. Where a credit or return reduces an entrant's Eligible Spend below an entry threshold, the corresponding entry may be cancelled.

20. Promoter Records

The Promoter's sales and account records will be used to determine Eligible Spend, the number of entries generated, the customer's domiciled branch and eligibility for each prize draw. The Promoter may correct genuine administrative, data-entry or calculation errors.

The Promoter will retain promotion records as required by applicable law.

21. Privacy

- The Promoter may use information associated with eligible trade accounts for administering the Promotion;

- Any other collection, storage or use of personal information will be handled in accordance with the Promoter's Privacy Policy and applicable privacy law.

22. General

The Promoter reserves the right to verify the validity of entries and disqualify any entrant who tampers with the entry process, provides misleading information, acts fraudulently or otherwise breaches these Terms and Conditions.

If the Promotion cannot proceed as planned because of circumstances outside the Promoter's reasonable control, the Promoter may modify, suspend or cancel the Promotion to the extent permitted by law.

Nothing in these Terms and Conditions excludes any rights or remedies that cannot lawfully be excluded under the Australian Consumer Law or other applicable legislation. The Promoter's decisions concerning administration of the Promotion are final, subject to applicable law.
