Monthly Focus

MM Electrical Townsville is your comprehensive supply and sourcing specialist, offering technical support, distributing electrical and industrial products. With a focus on enhancing total cost of ownership.

We pride ourselves on providing value-added services. Our team is dedicated to excellent customer service through consistent communication and a commitment to great people.

What we are focusing on this month is our ability to provide fully stocked container stores that could cater for any site specific supply requirements. These containers can be vendor managed and or owned.

Contact the team to find out more information.

New Boots On The Ground

MM Townsville Welcomes the expansion of their Townsville team introducing Eliza Chapman as the teams New Business Development Manager.

Eliza is committed to delivering the highest level of customer service. Her positive mindset and willness to learn opens doors as she challanges herself with her career change. Watch this space an exciting 2024 ahead.
