 - Participants may enter the promotion multiple times throughout the Promotional Period, provided each entry meets the eligibility criteria.
 - Entries are automatic when the final invoice is processed. Quotes, incomplete transactions, and unfinalised invoices are not eligible for entries.
 - Eligibility to win a prize is conditional upon the customer operating within their agreed trading terms at the time of the promotion and relevant prize draw. The Promoter reserves the right, in its absolute discretion, to determine whether a customer satisfies this requirement.
 - Returned products, cancelled orders, credits or refunded transactions will not qualify for entry and any associated entries may be removed by the Promoter.
8. **Prezzee eGift Card**
 - Customers who make a Qualifying Purchase during the Promotional Period will receive one (1) entry into the Major Travel Prize Draw in accordance with the entry mechanics set out above in these Terms and Conditions and subject to verification of eligibility, one (1) Prezzee eGift Card.

- Prezzy eGift Cards are not transferable, exchangeable, or redeemable for cash.
- Use of a Prezzy eGift Card is subject to the Prezzy terms and conditions, available at <https://prezzy.com.au/en-au/policies/terms-of-service> and <https://prezzy.com.au/en-au/policies/terms-of-sale>.

- The total prize pool of the Prezzy eGift Cards is capped at \$330,000, inclusive of any fees charged by Prezzy.

9. Volume Spend Accelerators

- Customers who reach one of the following cumulative spend thresholds during the Promotional Period will have all eligible Major Travel Prize Draw entries earned during the Promotional Period multiplied by the applicable factor:
 - Spend \$5,000 (excluding GST) during the period = 2x your entries into the Major Travel Prize Draw
 - Spend \$10,000 (excluding GST) during the period = 3x your entries into the Major Travel Prize Draw
 - Spend \$20,000 (excluding GST) during the period = 4x your entries into the Major Travel Prize Draw
- Spend is cumulative across all Qualifying Purchases made during the Promotional Period.
- Customers are only eligible for the highest Volume Spend Accelerator threshold achieved during the Promotional Period. The Volume Spend Accelerator thresholds are not cumulative.
- The Volume Spend Accelerator applies to entries into the Major Travel Prize Draw only and does not increase the number or value of any Prezzy eGift Cards awarded to a customer.
- Bonus entries arising from the Volume Spend Accelerator will be applied at the completion of the Promotional Period and prior to the Major Travel Prize Draw being conducted.

10. E-Commerce Accelerator

- Orders placed via participating online platforms during the promotional period from 1 September 2026 to 30 September 2026 will receive double entries into the Major Travel Prize Draw. For the avoidance of doubt, double entries apply

to the Major Travel Prize Draw only and do not increase the number or value of any Prezzy eGift Cards awarded to a customer.

- Each eligible online Qualifying Purchase of \$500 (excluding GST) will receive two (2) entries into the Major Travel Prize Draw.
- For every additional \$500 (excluding GST) spent in the same eligible online transaction, the customer will receive an additional two (2) entries into the Major Travel Prize Draw.
- For the avoidance of doubt, where a customer qualifies for both the E-Commerce Accelerator and a Volume Spend Accelerator, eligible online entries will first be calculated under the E-Commerce Accelerator and then multiplied by the applicable Volume Spend Accelerator.
 - Example: A customer spending \$20,000 (excluding GST) on eligible online purchases will earn 40 base entries, which will be doubled to 80 entries under the E-Commerce Accelerator. If the customer qualifies for the \$20,000 Volume Spend Accelerator, those 80 entries will be multiplied by four (4), resulting in 320 entries into the Major Travel Prize Draw.

11. E-Commerce Weekly Prize

- Customers who make a Qualifying Purchase online during September will also be automatically entered into the E-Commerce Weekly Prize Draw.
- The E-Commerce Weekly Prize consists of:
